C A T A L O G

of the Herd of

Shorthorns

➤ To Be Sold By Auction ◀

The Property of

Nauman & Wilkinson

Mound City, Missouri

At the WILKINSON FARM four miles northwest of

Mound City, Missouri

on U. S. Highways No. 275 and 59.

Monday, Nov. 25, 1935

Announcement

By our decision to disperse the entire Nauman & Wilkinson herd, by auction, the public has been offered an opportunity to bid on one of the best herds of Shorthorns to be found anywhere. Only the very cream of the Dr. Nauman herd was retained after his death and these cattle are being offered at a most opportune time for the buyer as cattle are getting higher every day. Cattle breeder's prospects are the brightest they have been in twenty years.

Owing to the depletion of many herds by the 1934 drouth and the depression, we are now entering a period of reconstructive breeding operations that, with an abundance of rough feed on hand, is bound to create a big demand for all pure bred cattle. Many new men are about to enter the pure bred breeding ranks.

A cordial invitation is extended to all interested in good Shorthorns, to be with us on November 25.

NAUMAN & WILKINSON.

The twenty-eight lots that are offered in this sale are as well bred Shorthorns as can be purchased anywhere. They are good individuals, in thrifty condition, not highly fitted, and they will make desirable herd headers and most profitable foundation cows.

The number of cattle listed is not likely to attract a large attendance and those who do come to this sale, may be expected to get some real bargains in these richly bred, attractive Shorthorns. Study these pedigrees and come to the sale.

Will Johnson of the Shorthorn World.

General Information

This sale will accomplish a complete dispersal of the noted herd of Shorthorns that was founded by the late Dr. Nauman and has been continued, since his death, under the firm name of Nauman & Wilkinson. There are no better pedigrees to be had than will be found in this catalog and the cattle are worthy representatives of their various families.

LOCATION—The sale will be held at the Wilkinson farm, four miles northwest of Mound City, Missouri, five miles southeast of Craig, on U. S. paved Highways 275 and 59. The Burlington Railroad Company maintains a bus service from St. Joseph, Missouri to Omaha, Nebraska. The busses stop at the farm as follows: Going east at 11:15 a. m. and 7:30 p. m.; going west at 10:40 a. m. and 7:30 p. m.

TIME—The sale will be held on Monday, November 25, 1935 at one o'clock p. m.

TERMS—Cash.

GUARANTEE—Cows and heifers with calves at foot or four months in calf are proven breeders. Bulls must not be allowed to run with herd. If they fail to breed after ninety days trial, they may be returned at buyers risk and expense in as good condition as when sold and, if after ninety days trial in our hands, they fail to breed, purchase price will be refunded.

HEALTH—The herd is Federally Accredited, our certificate of accreditation being No. 15879. All cattle will be furnished with health certificates to enable them to be shipped into the State or territory of the buyer's residence.

BIDS—Those wishing to buy at this sale who cannot find it convenient to be present may send their bids to Will Johnson of The Shorthorn World; M. T. White of Wallaces' Farmer; to the auctioneer, A. W. Thompson or to Ray Wilkinson.

NAUMAN & WILKINSON,
Mound City, Missouri.
